The screenshot shows the eGrant application system interface for the Tennessee Arts Commission. At the top, there are logos for 'the grt' and 'eGrant.net'. Below the header, a welcome message is displayed. The main content area includes a 'First!' section with links for 'Questions?' and 'Help'. A 'Registration' section provides instructions for new users. At the bottom of the main content area, there is a login form with two input fields: 'Login' and 'Password'. An orange arrow points to the 'Login' field. Below the login fields is a 'Login' button. At the very bottom of the page, there are logos for 'eGrant.net' and 'a product of InRoads Company, LLC'.

This screenshot is identical to the one on the left, showing the eGrant application system interface. However, an orange arrow points to the 'Forgot Password?' link located in the 'Registration' section. The rest of the page content, including the login form and footer, is the same as in the left screenshot.
