Tiered system based on pandemic-related loss\* and budget size because requests/documented losses of \$96M exceed Round 1 available federal funds of \$72M.\*\*

Ten percent of the total \$80M (\$8M) in Recovery Funds is held for Round 2.

4 Tiers	Total 154 Orgs	% Request Federal Only	% Request Fed & State	
Tier 1: Orgs w/ Budgets<\$1M &/or Requests<\$250k	114	100%	100%	
Tier 2: Requests/Loss \$250k-\$1M	15	80%	84%	
Tier 3: Requests/Loss \$1M - \$2.6M	13	70%	75%	
Tier 4: Requests/Loss \$2.7M - \$5M	12	70%	70%	

State Supplement adds 4.6% (rounded) of request/loss to 28 orgs in Tiers 2 & 3. Any org less than fully funded and to receive less than \$2M in fed funds receives state supplement.

\*These funds from the American Rescue Plan Act are strictly limited to address documented negative economic impacts of the COVID-19 public health emergency. Requests and awards are based on a mathematical calculation of pandemic-related revenue loss and available funds. Requests were capped at \$5M even though some applicant losses were higher and Round 1 awards were capped at \$3.5M. These awards are different from other TN Arts Commission grants awarded based on merit scores by an external panel and available funds.

\*\*Round 1 overall federal awards of \$72M as a percent of total Round 1 requests of \$96M is \$72M/96M =75%

\*These funds from the American Rescue Plan Act are strictly limited to address documented negative economic impacts of the COVID-19 public health emergency. Requests and awards are based on a mathematical calculation of pandemic-related revenue loss and available funds. Requests were capped at \$5M even though some applicant losses were higher and Round 1 awards were capped at \$3.5M. These awards are different from other TN Arts Commission grants awarded based on merit scores by an external panel and available funds.

\*\*Round 1 overall federal awards of \$72M as a percent of total Round 1 requests of \$96M is \$72M/96M = 75%
